Welcome to 2016!
It was wonderful to return to school after the summer break and catch up with everyone. I hope all families and staff had an enjoyable break and that students are returning rested and well-prepared for the school year ahead. To all the newly enrolled students and their families, I warmly welcome you into our school community. I feel certain you’ll find your association with the school both enjoyable and rewarding.

I also extend a very warm welcome to Mrs Graham who rejoins the teaching staff as LAST (Learning And Support Teacher) and Miss Milner (1/2M), Mr Pearce (3/4P), Miss Heffeman (3/4H) and Miss Bowden (1/2B) who are new members of our teaching staff. We are indeed fortunate to have teachers of this calibre join the staff. It is an exciting and aspirational time for the school, with opportunities and possibilities boundless.

Next Monday we have the privilege of welcoming the Kindergarten students of 2016 to their first full school day of their first school year. We wish them each a happy, rewarding and successful time at school where fun and fond memories are the order of the day.

I encourage all families to work ‘hand-in-glove’ with the school staff to make school a happy and successful place for all students. Please contact the school immediately if you have any concerns or matters that may need to be discussed, explored or clarified. These open channels of communication help to develop strong positive relationships and deep understanding between a student’s home and school. This strong positive relationship is an important factor contributing to a child’s educational success.

I am greatly looking forward to us working together to make 2016 a truly great year for every student of the school.

Tea and Tissues!
We are very excited to be welcoming the new Kindergarten students on Monday. Starting Kindergarten and settling into school life is an exciting time for students but it can be an anxious time for parents. To make this process a little less stressful parents and younger siblings are invited to ‘Tea and Tissues’ in the school staffroom on Monday, February 1st, at 9:15am.

Please join Mr Atfield, after delivering your child to the Kindergarten classroom to enjoy tea and coffee and meet the parents of your child’s future friends.

We look forward to a wonderful 2016.

Welcome aboard!
Mr Atfield and Miss Logan

Best Start
This week our newest school members have been enjoying some special one-on-one time with their new teacher, Miss Logan, to complete their Best Start Assessments.

Best Start is used to assess what knowledge and experiences children are bringing to their first year of school, enabling teachers to create quality teaching programs that best cater for all individual student needs. Miss Logan and Crookwell Public School are excited to welcome our newest members and eagerly await the beginning of next week for Kindergarten 2016 to attend school full-time. See you all next week!

Miss Logan and Kade Fowler hard at work during Best Start.
2016 VOLUNTARY SCHOOL CONTRIBUTION
What is A Voluntary School Contribution?
The vast majority of public schools request a contribution from parents each year to supplement existing funding. These contributions allow schools to provide additional resources and learning programs for our students.

What Will The Money Be Used For?
The money will be used to purchase resources to support teaching/learning programs for each student across the school.

How Much?
The suggested contribution is $50 per child. Please note that this roughly equates to $1 per child per week. I cannot stress enough the difference to our school finances that your contribution will make. The contribution fees are within the guidelines as set out by the Department of Education.

How To Pay
Please place your contribution, with the slip below, in an envelope and return it to the school office as soon as you are able. If you prefer, you may choose to pay a contribution in instalments. A receipt will be issued for all monies received.

Thank you for your ongoing support of our school.

2016 School Ambulance Cover Scheme
Since 2012, the Department of Education has negotiated an agreement with the NSW Ambulance Service to commence an annual licensing arrangement for school student ambulance cover for all public schools in NSW. Arrangements for the scheme have now been confirmed for the 2016 school year.

The Ambulance Cover Scheme provides assurance that if a student has an accident or falls ill whilst at school or on an organised school excursion or activity, and requires the ambulance service, the cost will be met through the scheme. Coverage of the Schools Group Cover Scheme also extends for excursions to the Australian Capital Territory.

Update Your Details
Have you moved, got a new email address or changed phone numbers? Please inform the school office with any changes in your living situation so we can contact you when the need arises.

Ethics or Scripture Classes or Neither?
Each Thursday morning, trained members of our community visit the school to lead 30 minute scripture and ethics classes. Students, with parental consent, may participate in either ethics or scripture classes. Children of parents who do not wish for them to participate in either of these classes will be supervised by a member of Crookwell Public School’s staff.

To ensure students participate in classes according to their parents’ wishes please complete and return the attached table by Friday 5th February, 2016.

Your Help is Appreciated

- Thank you to the families who have donated clean and tidy items of school uniform suitable for re-use. It is very reassuring to know that there is a good supply of recycled items of school uniform that can be readily accessed if the need arises.
- Thank you to Courtney and Jessika Langford, with the help of mum Sarah, for providing excellent care for the school’s guinea pigs during the Summer vacation. The ‘ladies’ who returned happy were obviously delighted with the standard of care they received.

What is Anaphylaxis?

Anaphylaxis is a severe and sudden allergic reaction. It occurs when a person is exposed to an allergen (such as food or an insect bite). Reactions usually begin within minutes of exposure and can progress rapidly over a period of up to two hours or more. Anaphylaxis is potentially life threatening and always requires an emergency response. Fortunately, anaphylactic reactions are uncommon and usually preventable.

At Crookwell Public School there are staff and students who suffer from severe allergic reactions and in order to provide a safe environment our policy is to restrict access to allergens.

ALL students are asked NOT to bring nuts, peanut butter or Nutella to school.

If your child suffers from allergies the school needs to be informed. There is information available from the school office, along with forms that need to be filled in by parents of students who have been identified as being anaphylactic, ever been hospitalized due to anaphylaxis, or have been issued with an Epipen.

If you need clarification, please contact the school. Thank you for your support and understanding in this matter.

Term 1 Reminders

- Students are expected to wear full summer uniform, which includes the school hat, to school every day.
- Please avoid sending to school noodles or any other food that requires heating during the warmer weather of Terms 1 and 4. When the colder weather returns in Terms 2 & 3 the ‘cooking/heating service’ will resume.
- Students who arrive at school late or leave school early must be signed in/out at the administration office.
- Verbal or written explanation must be given to the school to explain all student absences.
- Students are not prevented from bringing personal belongings to school, but please remember to leave very precious or expensive items at home as the school cannot accept responsibility for belongings that are lost or stolen. iPads, iPods etc that are brought to school need to be given to class teachers as soon as the device owning student arrives at school and are to be collected at the end of the day as they depart for home.
- Please encourage your children to walk across the pedestrian crossing at the front of the school when crossing the road to meet you of an afternoon.

No Hat …… Play In The Shade

Australia has the highest incidence of skin cancer in the world with 140,000 new cases and 1,000 deaths recorded annually. The increasing occurrence of skin cancer in Australia is a matter of concern with skin cancers accounting for 80% of all new cancers diagnosed each year.

The A.C.T. and surrounding region has one of the highest rates of skin cancer in Australia. The major cause of skin cancer is exposure to ultraviolet radiation over many years, particularly during childhood and adolescence. Even if exposure does not cause obvious sunburn, damage still occurs and accumulates over the years.

To help protect students from over exposure to the sun during Term 1, the school’s policy of ‘No Hat…Play in the Shade,’ will be strictly enforced.

Please encourage your child to wear a hat at school to help keep them sun safe.

N.B. Adjustable microfibre school hats are available from the uniform shop at a cost of $14.00.

School Attendance

Did you know that if your child misses as little as eight school days each term, by the end of their primary schooling they will have MISSED the equivalent of ONE WHOLE YEAR of school?

Published Weekly

The school newsletter called, ‘News & Views’ is the method the school communicates with its families. The newsletter can be accessed through Crookwell Public School webpage (www.crookwell-p.school@det.nsw.edu.au) or via the Crookwell Public School app which can be downloaded freely to your smartphone (username is community and the password is crookwellps) or receive a hard copy of the newsletter which is sent home with the youngest child of the family attending school on the last day of each school week. Many families have the newsletter emailed rather than receive a hard copy. This method of communication is preferred by the school as it is more economical in terms of time and resources, and is a more reliable method by which to convey information about school happenings to a student’s family.

If you would prefer to have the newsletter emailed please return the slip below so we can add you to our list. Otherwise please check your child’s bag on the last day of each school week in order to keep up-to-date with school happenings.

Thank you,
Greg Atfield

Resources for Infants Students
Welcome back to school for 2016! We hope your first two days have been enjoyable in your new classroom with your new teacher and classmates.

Please see below a small list of items that your child will need to bring to school over the next two weeks.
• Paint smock/old shirt
• Home reading folder (plastic document folder)
• Library bag

Please ensure these items are clearly labelled with your child’s name.

All other stationery items (pencils, glue sticks etc.) are provided and ready to go in classrooms.

Thank you!
Miss Logan, Miss Kemp, Mrs Davies, Miss Bowden & Miss Milner

Resources for Primary Classes
Students in primary classes will need the following items:-
• HB lead pencils
• Blue/Red/Black ballpoint pens (not felt tip variety)
• 30 cm Ruler (measurements in centimetres and millimetres, not inches)
• Eraser
• Sharpener
• Highlighters (3 pack)
• Textas (12 pack)
• Coloured pencils (12 pack)
• Art shirt
• Library bag

If these resources could be provided within the next two weeks it would be greatly appreciated. Please clearly label resources where appropriate/possible with your child's name.

Thank you!
Mr Pearce, Mr Nedanoski, Miss Heffernan, Mrs Graham, Mrs Hayes, Miss O’Neill, Mr Grey and Mr Whittington

A Reminder To Parents To Notify The School About Your Child’s Health
We welcome information from parents about your child’s health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also important that you let us know if your child’s health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child’s health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter’s health needs or as otherwise required by law.

N.B. The Crookwell Public School Swimming Readiness Survey (attached) must be completed for ALL enrolled students before they are permitted to go swimming. This will be kept on file for the season and be used to assist us to keep your child safe around water.

Working Together, Growing Together
Crookwell Public School Water Carnival
Tuesday 9th February is the Crookwell Public School Water Carnival and BBQ for Years 3 – 6. Students are to come to school at the normal time and may arrive wearing their house colours if they wish (Waratah – Red, Bluegum – Blue, Wattle – Yellow). Students will assemble at school before walking with their teachers to the pool in their house groups at approximately 11.30am.

Students participating in the competitive races will complete their heats before the water carnival commences, walking to the pool at 9.30am.

Parents to help with timing, marshalling and the BBQ would be greatly appreciated on the day of the carnival.

Students will need sunscreen, a bottle of water, a hat, swimmers and dry clothes to wear home once the carnival has concluded. Students should bring their recess to the pool. A BBQ will be available selling double sausage sandwiches for $3, single sausage sandwiches for $2 and poppers for $1 at lunchtime. Students pay on the day, no pre-ordering is necessary. Students should bring their own lunch if they do not wish to purchase from the BBQ.

Students will need $3.00 or their season ticket to enter the pool. Students will return to school by 3:15pm in time for regular buses and pick up. If your child cannot participate for a particular reason please send a note to exempt them.

Activities are designed for all swimming abilities including non – swimmers.

Thank you
Mr Nedanoski (Sport Coordinator)

Crookwell Public School Water Carnival
I consent to _________________________ participating in the CPS Water Carnival at the Crookwell Pool on Tuesday 9th February. I understand my child must bring a season ticket or $3.00 to cover pool entry.

Does Your Child Travel To School On A Bus?
Many children travel to and from school by bus each day. Students require bus passes and applications for passes may be obtained from the school office. The completed forms should be returned to the office. The bus driver will issue passes as they are processed.

Bus passes are only valid for a specific bus route, so a new bus application must be completed for any change to bus stop or bus company.

Thank you
Billie Willis
School Administrative Manager

Sign In / Sign Out
If your child arrives at school after school has commenced, leaves prior to school ending or leaves for a period during the school day, it is necessary to call at the school office and sign your child either into, or out of, school.

Your compliance will assist us to keep your child safe at school.
Thank you for your cooperation in this regard.

Don’t Forget To Label Your Child’s Belongings
You can:
• use a permanent laundry marker to label clothes, hats and shoes, or sew or iron on personalised labels
• go through your child’s bag with them each night
• check that labels haven’t faded with washing
• if something doesn’t come home, ask at the office where your school’s lost property area is.

Welcome Parents, Grandparents and Friends
Children love to see their parents, carers and grandparents at their school, whether helping out in the classroom, canteen or assisting in other ways. Research shows that students perform better at school when their families take an active interest in their child’s school work. Your contribution to the school is needed and valued and, provided you have completed a working with children check, your involvement is encouraged.

The ways you may get involved include:
• helping in the classroom
• listening to children read
• helping children on computers
• helping with school excursions
• preparing food and serving in the canteen
• coaching a sporting team
• working in the library

Spotted This Week Were ……
• Connor Shipton, Nathan Gauci and Jackson Kelleher for mature and responsible behaviour.
• Kindergarten students for trying their best during Best Start Assessments.
• Charlotte Arentsen for promptly returning her holiday readers.
• Noor Nasser for being a kind and thoughtful friend in the playground.

**P&C News** ............................

**Just A Quick Note This Week.**

We are desperately in need of volunteers for the canteen. We lost a few of our wonderful regular volunteers at the end of last year due to students graduating to Year 7 therefore I am putting the call out to any parent, grandparent, aunt, uncle or community members who would be able to volunteer 2 days per term to keep our canteen operating.

If we do not get more volunteers we will be forced to close the canteen.

Currently the canteen operates on Monday, Wednesday and Friday of each week. Canteen volunteers need to be available at the canteen between 9:45am to 2pm.

If you are available please leave your details at the office, or if you are on Facebook, look for the Crookwell Public School Canteen site and message Mandi. The students love to see family members working in the canteen.

The canteen is our major fundraiser for the school and without the canteen the ability to support the education of all of our gorgeous students will be greatly diminished.

**PLEASE.**

Take care and have a great weekend.

Dear Parents/Caregivers,

The N.S.W. Department of Education School Swimming Scheme is an intensive learn to swim program, which develops water confidence and provides students with basic skills in water safety and survival. The scheme is conducted over 10 days. Each daily session is 45 minutes.

Students who have not reached a satisfactory standard of water safety and survival skills, and are unable to swim 35 metres confidently, unaided in deep water, are eligible to participate in the School Swimming Scheme. The scheme focuses on students in Years 2 and 3, with a couple of students from Year 4 also invited to participate.

Instruction will take place at the Crookwell Pool.

The scheme will continue daily from 15th February, 2016 to 26th February, 2016.

Students will walk to and from the pool with their class teacher. Pool entry will be by season ticket or at a cost of $1.00 per day.

The total cost of pool entry for the 10 day scheme is $10.00.

Each child should bring a swimming costume, a towel, a blouse or shirt, a hat and warm clothing to wear on a cool day. As instruction will take place in an outdoor pool, it is recommended that students use adequate sun protection, eg. An SPF 30+ broad spectrum, water resistant sun screen reapplied regularly. A T-shirt or rash shirt is also recommended (pool facility permitting).

Students will be assessed during the School Swimming Scheme for all water safety skills without wearing goggles.

If you would like your child to participate in the scheme, please complete and sign the form below and return it to your child’s class teacher.

Regards,
Greg Atfield
Principal

Please return this section to school by Monday 8th February, 2016.

School Swimming Scheme Consent Form

I hereby consent to the attendance of my son/daughter _______________________________ at the School Swimming Scheme classes to be held at the Crookwell pool from 15th February, 2016 to 26th February, 2016.

Participating students will walk to and from the pool with their class teacher. The total cost of pool entry for the 10 day scheme is $10.00.

In the event of injury or illness, I also authorise (on my behalf) the seeking of such medical assistance that my child may require. Special needs of my child of which you should be aware (eg. allergies, sensory impairment, etc):

TO BE RETAINED AT SCHOOL

Growing Together, Working Together
Welcome back to school

The Federation of Parents and Citizens Associations of New South Wales (P&C Federation) is committed to a public education system that provides for all students equally. The Government has prime responsibility to provide an education system open to all, which is free and secular.

Today is the first day of another school year. A new group of students is entering their first step on the great adventure of education. We wish students, parents and teachers a happy and successful year.

Our students are capable of great things, and we encourage parents to work cooperatively with their child’s teacher and school to make the most of the opportunity public education can provide.

‘It is unfortunate that this special time of year is being marred by the decision of the Federal Government to break its promise to properly fund education in Australia. The Gonski reforms were independently recommended and supported by all major political parties at the last Federal Election, yet new Federal Education Minister Simon Birmingham has just walked away from the promises made to the electorate, and to the students of Australia’. Jason Vials, President of P&C Federation commented.

‘Prime Minister Malcolm Turnbull talks about the need for an agile and innovative workforce, and the importance of students excelling in Science and Maths, but refuses to provide the funding our education system needs to achieve those outcomes’. Mr Vials continued.

Education funding is not a cost – it is an investment in the future of our country and its citizens. We need a Federal Government genuinely committed to a bright future for our country and its people.

The initial implementation of the Gonski reforms have been enthusiastically embraced in NSW by the State Government, by Principals, Teachers and Parents. We have seen the difference the extra funding is already making to our schools and student outcomes.

We call on the Federal Government to honour its promises, and join all of the stakeholders in our education system to ensure a bright future for the students of Australia.
