2017 & 2018 Enrolment Information Required
Shortly, the school will be required to lodge with the Department of Education its anticipated numbers for 2017 and 2018. It is very important, particularly in 2017, that the anticipated numbers closely match the actual enrolment numbers. We require your help to get it right to ensure that next year we can again get off to a good start with classes formed and teachers available and ready to start teaching on day one.

Therefore, if you know of any child who will be enrolling in Kindergarten next year, or the following year, would you please list their names below and return the slip to school?

Please include every eligible child you believe will be enrolling at Crookwell Public even if you think that someone else may also include the child you are thinking of. We would prefer to have student names duplicated than omitted from the list.

This information will also prove very useful when sending invitations to the ‘Flying Start’ program which helps to determine a child’s level of readiness for school and will operate throughout Terms 2 and 3 of this year.

2016 VOLUNTARY SCHOOL CONTRIBUTION

What is A Voluntary School Contribution?
The vast majority of public schools request a contribution from parents each year to supplement existing funding. These contributions allow schools to provide additional resources and learning programs for our students.

What Will The Money Be Used For?
The money will be used to purchase resources to support teaching/learning programs for each student across the school.

How Much?
The suggested contribution is $50 per child. Please note that this roughly equates to $1 per child per week. I cannot stress enough the difference to our school finances that your contribution will make. The contribution fees are within the guidelines as set out by the Department of Education.

How To Pay
Please place your contribution, with the slip below, in an envelope and return it to the school office as soon as you are able. If you prefer, you may choose to pay a contribution in instalments. A receipt will be issued for all monies received.

Thank you for your ongoing support of our school.

A Fabulous Years 3-6 Water Carnival

On Tuesday Year 3-6 students attended the annual Crookwell Public School swimming carnival. The day was a great success. The perfect weather saw a large number of students competing in the competitive races, along with all students taking part in the novelty events.

Big congratulations to Waratah house who won the carnival.

The staff and students would like to express their appreciation to the huge number of helpers that took time out of their day to assist in various ways.

Good luck to all the students representing Crookwell Public School at the district swimming carnival taking place in Goulburn, Tuesday 23rd February.

Kindergarten’s Second Week

Kindergarten has hit the ground running and is already established with their school routines. This week we have commenced guided reading and writing sessions. In numeracy we are practising to count, make patterns and talk about the time. Here are some photos capturing our busy time at school this week.

Louise Robertson uses a ten frame to represent numbers.

Ben Webster and Haiden Mills hang out with their Year 6 buddies Kirrily and Abby.

Bodi Waters is impressive running on the wheel.

Kindergarten participates in parachute games with Miss Kemp during infants sport.

Haiden Mills makes his own creation using Lego.

Lincoln Kearney carefully writing numbers on the concrete.

George Willis reads ‘My Little Cat’ in the engine room.

Sonny Woods and William McDonald practise their ‘snappy pointing’ during guided reading.
Core Rules

Student Discipline in NSW Government Schools
All students in NSW government schools are expected to:

- Attend every school day, unless they are legally excused, and be in class on time prepared to learn.
- Maintain a neat appearance, including adhering to the requirements of the school’s uniform or dress code policy.
- Behave safely, considerately and responsibly, including when travelling to and from school.
- Show respect at all times for teachers, other school staff and helpers, including following class rules, speaking courteously and cooperating with instructions and learning activities.
- Treat one another with dignity and respect.
- Care for property belonging to themselves, the school and others.

Behaviour that infringes on the safety of others, such as harassment, bullying and illegal or anti-social behaviour of any kind, will not be tolerated.

Infants Home Reading

Home Reading is off to a great start in the infants classrooms.

The Home Reading Program aims to support and encourage students to read at home and at school. We are asking for any helpers who would like to come and read with students during literacy time of a morning. If you would like to help please fill in the following form and return it to your class teacher. If you are available on a more casual basis we would still appreciate your help whenever you are available.

If you have any questions or queries please feel welcome to speak to your child’s classroom teacher.

Thank you for your support.

Peer Support Leaders Training for Year 6 Students

All students in Year 6 will participate in Peer Support Leaders Training, which will be held on Wednesday 17th February and Thursday 18th February, at Crookwell Public School, in preparation for their role as Peer Support Leaders for 2016.

For the two days the students will be divided into small groups with students from Crookwell High School facilitating the training on Thursday under the supervision of Miss O’Neill and Mr Whittington. On Friday the training sessions will be run by Miss O’Neill and Mr Whittington. Students will work through a range of experimental activities, take part in discussions and complete activities in their Peer Leader’s Guide.

During the training, students will participate in a range of activities focusing on:
- Leadership skills
- Relationships with others
- Their role and responsibilities
- The structure of a peer support session
- Understanding how groups work
- Strategies to lead a group
- The facilitation of some activities.

This training is part of the school’s comprehensive plan and commitment to create a safe school. It provides students with the opportunity to develop and practise leadership skills within a supportive environment.

Year 6 students are to come to school, on both days, in weather appropriate casual clothes and closed in casual shoes. Morning tea will be supplied on both days while lunch will be supplied on Thursday only. Students are to bring a pen, an adventurous spirit and a sense of humour!

How Very Civilised!

Mr Pearce, the teacher of Year 3/4P is a very accomplished musician with the ability to play a number of musical instruments. Music has become an integral part of this classroom teaching/learning environment. Even at recess while eating the students are entertained by Mr Pearce as he plays Star Wars themes on the keyboard.

School Hours

Parents and carers are reminded that supervision of students by staff members occurs between the hours of 8.45am in the morning and 3.30pm in the afternoon when the last school bus departs.

In exceptional circumstances if your child needs to be at school outside of these supervision times please contact the school by phoning 48321213 to discuss the matter.
School Uniform items
The donation to the school of items of uniform that are no longer needed is greatly appreciated. Our stock of used school uniforms is regularly called upon ‘to get us out of trouble’. Thank you to each of the donating families.

Uniform Concerns
A number of students are arriving at school in items of clothing, in particular hats and socks, which are not school uniform. Please ensure your child attends school wearing full school uniform and if, for financial reasons, the wearing of uniform is not possible please see Mr Atfield. A confidential solution to this difficulty can be found.

Students who are encouraged from home to abide by the school’s Code of Conduct by wearing their full school uniform are also more inclined to comply with other aspects of the Code of Conduct while at school.

Thank you in anticipation for your support in this matter.

Application For Exemption From School
If you are planning a family holiday during term time, please contact your school before you depart. The principal may grant leave but parents/caregivers are required to apply for a Certificate of Exemption. An exemption form may be picked up from the school office.

When a Certificate of Exemption is granted, school absences that occurred over your family holiday are not recorded on your child’s records.

Ann Willis
Home School Liaison Officer

Sign In /Sign Out
When signing your child in late or signing your child out early, please include information other than ‘appointment’ so that our rolls may be correctly maintained. For instance, a medical appointment falls into a different category to that of a hair appointment.

Yours in Public Education,
Greg Atfield
Principal

P&C News ……………………

The Crookwell Public School P&C AGM will be held on Tuesday 8th March, 2016 at 7pm in the school library. If you would like to join our P&C and be involved in supporting our awesome school please come along. There will be a general meeting held straight after the AGM. Membership fees for voting rights are charged at $2 per person for the year. You will not be forced into a position you are not willing to take on.

Being involved in the P&C provides you with a fantastic opportunity to meet the staff, and help raise funds to support the education of all students who attend Crookwell Public School.

Last week our bulb drive order forms were sent home. If you need another form or know of someone who would like one please contact the school office. Please return all order forms with correct payment (cheques made out to Crookwell Public School P&C), to the school office by Friday 11/03/16. This will be the final day for bulb orders and NO orders will be taken after this date.

Take care and have a great weekend.

Changes in the Uniform Shop - Reminder
The school uniform shop provides a very valuable service to the school as well as being an important source of P&C (school) funds. For many years Haley Snape, Rowena Watson, Kathy Rowe and a band of helpers have dedicated their time to ensure the shop operates smoothly, efficiently and profitably. On behalf of the Crookwell Public School community I would like to thank these committed ladies for the wonderful job they have done in the uniform shop.

However, like the school banking volunteers, the team of volunteers who work to conduct the uniform shop cannot continue in the role past the P&C AGM on Tuesday 8th March due to additional work commitments.

It would be devastating to see this fabulous service disappear. A team of 2 to 3 people is needed to allow the uniform shop to continue. Please consider, with the assistance of a couple of diligent and committed friends, taking on this role. The position becomes available at the AGM but in the meantime Haley, Rowena or Kathy would be happy to speak to you about what the role entails.

Thank you for giving serious consideration to filling this role which soon will become vacant.
Don’t forget the Uniform Shop now sells reusable lunch bags, which can be used every day and/or are fantastic to use for your child’s canteen lunch orders. The bags are well insulated so that food can be kept hot or cold.

If you are interested please send in a note with your child. The price is $12.50.

**Mothers’ Day and Fathers’ Day Stall**
The P&C are looking for someone to coordinate, and helpers to organise, the Mothers’ and Fathers’ Day stalls. It is at this time of year we place an order for gifts to ensure they are received in time for May. Please contact the school on 4832 1213 if you are able to help out. Thank you.
